9. That the policy of the U.S. State Department relaying our strategic and tactical plans for conduct of the war be stopped immediately.

*Gen. Cates deleted No. 5 and commented concerning No. 1: "The time has come, in my opinion, to do one of two things. Either admit a defeat and execute a gradual withdrawal or declare war and prosecute it to the fullest. The latter is strongly recommended."

Inasmuch as this reflects the considered opinions of a tremendously significant body of our strong military leaders, and as it has been formally presented to the Congress, we should recognize that, under our form of government, this is as close to a military coup as we are likely to get.

This enormously impressive group of officers willingly risked censure by joining in the Petition. Similarly, another impressive group of officers, including many former "Chiefs of Staff," willingly risked censure by giving interviews to "Science & Mechanics" magazine. Now, thanks to the bravery and devotion of Congressman John R. Rarick, these two forceful groups of high ranking military officers have had their "evidence" presented to the Congress of the United States. This has been done through the only avenue remaining. Surely this reflects the final cry of desperation from our God-fearing soldier-statesmen.

These brave men—no longer fettered by administrative restriction — are crying out, "Come Awake, America! Take action! Add your voice to our petition." It cannot be possible that we would willingly continue to sacrifice our own flesh and blood in an undeclared war where victory is not permitted. Let us join them in this truly Constitutional action.

For copies of the above Petition, write . . . CONSERVATIVE VIEWPOINT, P. O. Box 17194, Washington, D.C. 20041. Or write Congressman Rarick direct and express your views ! ! !

Black America

Those attacking Christian America have produced an amazingly frank documentary TV series entitled **OF BLACK AMERICA.**

It is sponsored by Xerox, of which corporation the chairman and general counsel is Sol Myron Linowitz, listed in **Who's Who in World Jewry.**

It is circulated nationwide by Columbia Broadcasting System-TV, headed by William Paley (Palinsky), chairman, listed in **Universal Jewish Encyclopedia.**

Bob Cosby, black master of ceremonies, is the new "Stepin Fetchit" who tries to shift the early Hollywood Jews' coarse and crude ridiculing of Negroes onto Christian America. Cosby is the smoothest "front man" for the Jewish masters of today who has yet performed in an effort to whitewash the money-greedy Jewish producers of early Hollywood. If there is anyone whom the modern Jewish leaders should condemn for their harsh ridiculing of Negroes in the early movies of 50 years ago, it is the Jewish producers of those movies.

This CBS-TV series paid for by Xerox should be watched carefully and analyzed. It is an out and out attempted whitewash of degenerate Jewish influence in motion pictures — an influence which is just as arrogant and insulting to Christians today as it was a couple of generations ago.

If you want the pinnacle of such Jewish insults hurled at the Christian faith, go and see the current motion picture **The Graduate.** Anyone who can see that picture without understanding clearly the source of such anti-Christian venom, is blind indeed.

The American Jewish Year Book, 1967, (Volume 68, Page 78) is a revealing source concerning Negro antagonism toward Jews. Stokeley Carmichael's anger concerning exploitation of Negroes by Jews is provided for Jewish readers, but screened from white Christians who read only the controlled secular press.

Jews have exploited Negroes in the movies and in the ghettos in every possible way. Now the smooth operators of Jewish propaganda seek to shift the blame for the outcome onto Christian America.

The blame belongs squarely on such Jews as David Sarnoff of Radio Corporation of America (NBC-TV), William Paley (Palinsky) of CBS-TV, Sol Myron Linowitz of Xerox, and others of that ilk.

The most brazen effort, spewed forth nationwide over TV to blind and delude Christian Americans, is **OF BLACK AMERICA.** Watch each chapter, and ask yourself as you watch it, "Who's paying for this, and why?"

A national Roll of Dishonor is needed to help Christian Americans spot the despoilers of America.

The names of these three . . . Linowitz, Paley, Sarnoff, belong high on that list of Dishonor.

Watch the Ed Sullivan Show For the Tip-Off

Watch the Ed Sullivan show each Sunday night for the tip-off on what the masters of America want the people of America to believe.

The TV show commemorating the 20th anniversary of Ed Sullivan on TV was a perfect example.

Ed kissed a Negress a couple of times. Then he hugged a Jewish so-called comedian a couple of times. Then he introduced Senator Javits.

Ed Sullivan, with a name that is a perfect front for the non-Christian forces of America, introduced the Beatles to the American TV audience. Over and over again he presents border-line degeneracy to his audience.

Whatever the Jewish masters of America want done, Ed Sullivan does it for them first.

The Ed Sullivan show is a convenient preview of the forces that are destroying Christian America.

Open Letter to B'nai B'rith

(Continued from Page 3, Column 2)

really healthy or sound. Because of your collective folly and vice, the world is entering upon a period of untold crisis, of bottomless disaster, of untold suffering. We see no way to avoid this disaster. Matters have already gone too far. What happened to you under Hitler was a mere bagatelle compared to what will happen to you in the future.

"What is the real solution of the Jewish problem? Stop trying to blame your troubles on Anti-Semites. You yourselves are the chief makers of your own troubles and disasters. Now, Ladies and Gentlemen, I wish to thank you for your kind attention. Good Evening."

B'nai B'rith probably will never invite us to speak at one of their meetings, so, rather than waste this prepared speech, we have reproduced it here. We have little hope that it will do any good. Might as well talk to a fence post as to the Jews. But they can't say that we didn't try.
